## Kolpak Price Increase January 9, 2024

Kolpak will implement a price increase effective January 9, 2024, on all products, accessories, and parts.

Orders placed on or after January 9, 2024, must be at new pricing. The product list prices will increase by about 3-5%, and parts will increase by 5%.

We will update AutoQuotes and Specifi with the new pricing before January 9, 2024.

If you have any questions, please contact your Product Sales Manager or me.
