

DATE: April 15, 2025

TO: Our Valued Partners

SUBJECT: Important Notice Regarding Price Adjustment

Our Valued Partners,

We greatly appreciate your continued trust and loyalty in our products/services over the years. As a valued partner, we wanted to inform you in advance about an upcoming price adjustment.

Due to ongoing inflation and recent increases in tariffs on materials or goods, we are faced with higher operational costs that impact the pricing of our products/services. In order to maintain the quality and level of service you have come to expect, we must adjust our pricing accordingly.

**Effective June 1, 2025, pricing for Champion glasswashers, dishwashers, and custom machines and Bi-Line systems will increase as outlined below.** We recognize that these price adjustments are driven by rising costs, and we want to reassure you that we are dedicated to helping mitigate the impact. To alleviate some of the burden on your business, we will offset part of the tariff-related cost increases, aiming to minimize the financial impact on you and your customer.

Product Category	Price Adjustment Percentage
Undercounters, Doors, Racks, Flights, and all others	5%
Bi-Line Products	5%

To ensure that your current pricing is honored, all, in-house, open orders must ship before **July 31, 2025**. Orders shipped after this date will be subject to the outlined updated pricing above, which reflects current market conditions and adjustments in cost.

If you wish to maintain the existing pricing for any open orders, please ensure that they are shipped by the specified deadline. If shipment cannot be completed before **July 31, 2025**, we kindly ask that you update your purchase orders accordingly to reflect the new pricing structure.

**Please note that all NEW quotes provided are valid for a period of 30 days from the date of issuance.**

We truly value your business and remain committed to delivering high-quality products/services. If you have any questions or concerns regarding this change, please don't hesitate to reach out to our customer support team at 1-800-532-8591. We would be happy to assist you.

Thank you for your understanding, and we look forward to continuing our partnership.

Warm regards,

  
Scott Cherevaty  
President, Champion Group
