SUBJECT: Important Notice Regarding Price Adjustment

Our Valued Partners,

We sincerely appreciate your ongoing trust and loyalty in our products and services. As a valued partner, we want to provide you with advance notice of an upcoming price adjustment.

As a result of continued inflation, our operational costs have risen. To maintain the high-quality products and level of service you expect from us, we will be adjusting our pricing accordingly.

Effective November 1, 2026, due to rising production and material costs, we will implement a price adjustment for Champion glasswashers, dishwashers, custom machines, and Bi-Line systems, as outlined below. We understand the challenges that come with these changes and want to assure you that we remain committed to supporting you and helping minimize the impact wherever possible.

Product Category	Price Adjustment Percentage
Undercounters, Doors, Racks, Flights, and all other Champion Products	5%
Bi-Line Products	5%

To ensure that your current pricing is honored, all in-house open orders must ship before **November 1, 2026**. Orders shipped after this date will be subject to the updated pricing outlined above, which reflects current market conditions and cost adjustments.

Please note that all NEW quotes provided are valid for a period of 30 days from the date of issuance.

We sincerely appreciate your business and remain dedicated to providing high-quality products and services. If you have any questions or concerns about this change, please feel free to contact our customer support team at 1-800-532-8591 — we'll be happy to assist you.

Thank you for your understanding, and we look forward to continuing our partnership.

Best regards,

Harrison Cavanaugh
